

What our Guests are saying about us...

I am writing to thank you and all your staff for the fabulous wedding you directed and managed on the 18th June 2011. De Courceys looked amazing and we were delighted that so many guests commented on what a stunning venue it was, and how fantastic that we had sole use of it.

You and your staff really worked hard to make the venue, table settings and service absolutely perfect. Looking at the video of the day we can see that it really was the ideal venue, from the facilities on offer to the showmanship of the champagne poppers and the twinkling pagoda, which really was a delight.

The delicious food was so beautifully prepared and presented by your chef, and guests with food allergies have said how much they appreciated the way De Courceys catered for them as individuals. Thank you again. We had a fabulous day, due in no small part to the attention to detail, and the friendliness and professionalism shown by all of you.

Thank you so much for a beautiful Wedding Day!

We couldn't have asked for a better service, all of our guests loved the location and food. The day went completely without a hitch and ran so smoothly. We had a fabulous Wedding Day!

To Rachel & All at De Courceys

Thank you so much for making our Wedding so special. The staffs were incredible, managing to cater for all our needs and yet remaining completely unobtrusive. The food was delicious and commented on constantly by our guests.

The exclusive nature of De Courceys allowed all of our friends and family from 2yrs to 89yrs old to enjoy every aspect of the day. We know that many of our guests have recommended De Courceys to others looking for the perfect Wedding venue.

We can't thank you enough for everything you did for us.

We had our wedding at De Courceys in September 2012. From the start Lewis and Abigail were a great help, always quick to respond to our queries, and they made lots of helpful suggestions. Lewis was very reassuring during the stressful last few days!

The venue itself is beautiful and our guests liked the fact there were different rooms to chill out in. The service was great, and the food was amazing, and we had so many compliments on it.

We're so glad we chose this as our wedding venue.

We were guests at a wedding at De Courceys last weekend and wanted to let you know how lovely we thought your venue is. Despite the rain, the grounds looked very attractive and we were very taken with the inside of the house, particularly the internal 'conservatory' where it feels as if you are in an open area but are fully protected by the glass roof.

We also very much enjoyed the meal, and were grateful and impressed by the way you handled my husband's gluten-free diet, offering an alternative starter and automatically adjusting the main course and dessert to suit his needs.

Thank you again for making the wedding a very special and enjoyable occasion.

To all the staff at De Courceys

Thank you all so much for making our Wedding day on April 9th so special.

We both had a fantastic day and loads of our guests commented on what a stunning venue De Courceys is

The food was first class, service was excellent and all of the staff were very professional.

Thanks again, Jess and Dan

We just can't thank you and the staff enough for all that you did for us last Saturday to make Nerys and Dyfrig's day so perfect and special.

The venue, food, service, staff were excellent and we are so pleased that we had chosen De Courceys. Numerous people have said how lovely the place was and that they really appreciated having the place to ourselves.

Could you also pass on our thanks to your disco - the choice of music was really good and I think that people were dancing the whole time!

I'm still on cloud 9 since Saturday and it's so exciting to see the photos which are coming through on Facebook! Thank you for being so helpful throughout, which made working with you a real pleasure.

So please pass on our thanks to everyone, especially the chef as the food was absolutely delicious.

We had our wedding here on the 27th October and couldn't have chosen a better venue. From the first time we looked at de Courceys until the actual wedding we were overwhelmed by the level of service and attention to detail given by Abigail, Lewis and all of the staff.

We've had so many positive comments from our guests about the food and the venue, both of which are excellent! We had a wonderful day and couldn't recommend de Courceys highly enough.
